

MAKE A DIFFERENCE

- Assign an adult to wear this Water Watcher Badge at all times that children are near water.
- Never leave children alone, in or near water.
- Teach your child to swim, but never rely solely on swimming lessons to protect them from drowning.
- Enclose your pool or spa with a four-sided fence, with self-closing and self-latching gates.
- Use door alarms, pool alarms, and automatic pool covers for extra protection.
- Learn CPR and have rescue equipment, and a telephone (911) nearby.
- Wear a lifejacket.
